SBC Explanations of Differences Noted:							
1.	CLEC contracted rate differs from Advanced Services affiliate contracted rate. Rates billed for USOC agree with contract.						
2.	Isolated instance of USOC billed at noted rate to ASI/AADS and/or sampled CLEC(s). Considered ordering, billing, or data processing error and not representative of billing for actual services rendered.						
3.	Timing difference in updating billed rates between ASI/AADS and CLEC(s), subsequent month's billing reflects correct rate.						
4.	Billed rate does not agree in error to contract rate.						
5.	Isolated USOCs billed at incorrect rate, majority of USOCs noted on BAN were billed at correct contract rate.
